## About the Minnesota Office of Higher Education

The Minnesota Office of Higher Education is a cabinet-level state agency providing students with financial aid programs and information to help them gain access to postsecondary education. The agency also serves as the state's clearinghouse for data, research and analysis on postsecondary enrollment, financial aid, finance and trends.

The Minnesota State Grant Program is the largest financial aid program administered by the Office of Higher Education, awarding up to \$177 million in need-based grants to Minnesota residents attending eligible colleges, universities and career schools in Minnesota. The agency oversees other state scholarship programs, tuition reciprocity programs, a student loan program, Minnesota's 529 College Savings Plan, licensing and early college awareness programs for youth.

# Introduction

---

This report presents information on financial resources provided to undergraduates at Minnesota postsecondary institutions. The financial resources reported are grants<sup>1</sup>, loans and student earnings from work-study jobs that help students pay tuition, fees, room and board and other costs of attending postsecondary education. This report presents information for Fiscal Year 2013, which corresponds to academic year 2012-2013. Corresponding information for odd-numbered years from 1987 through 2011 is available from the Minnesota Office of Higher Education.

## Postsecondary Institutions Included

The data in this report cover student financial aid received by undergraduates attending 108 Minnesota postsecondary institutions eligible to participate in the Minnesota State Grant program in Fiscal Year 2015. Data were collected on aid received by undergraduates who attended these institutions in Fiscal Year 2015, which was from July 1, 2014 through June 30, 2015.

## Sources of Data

Data were obtained from several sources:

- Minnesota Office of Higher Education records were used for the following:
  - Minnesota State Grant Program
  - Minnesota American Indian Scholarship Program
  - Minnesota GI Bill
  - Minnesota Postsecondary Child Care Grant Program
  - Minnesota Safety Officer Survivor Grant Program
  - Minnesota SELF Loan Program
  - Minnesota Work-Study Program
  - Fall 2014 Undergraduate Headcount
- For institutions in the University of Minnesota and Minnesota State Colleges and Universities systems, data were obtained from the central office institutional research staff.
- For private institutions, institution financial aid directors provided data on the amount of grants, loans and earnings from federal work-study jobs received by undergraduates who attended in Fiscal Year 2015.
- 96 percent of the institutions eligible to participate in the Minnesota State Grant Program in Fiscal Year 2015 provided data.

---

<sup>1</sup> Grants are scholarships, grants, tuition discounts, tuition waivers and gift aid that does not have to be repaid.

## Privacy Protection

For categories of financial aid in which there were fewer than 10 recipients, the number of recipients and amount received is suppressed to protect private data on students.

## Data Verification

In February and March 2015 data were verified as follows:

- For public institutions Minnesota Office of Higher Education staff sent the institutional research staff at the central offices of the University of Minnesota and Minnesota State Colleges and Universities a link to the preliminary version of the report for their campuses for verification.
- For private institutions, Office staff sent each financial aid director at the private institutions a link to the preliminary version of the report for that campus for verification.

*\*This version of “Financial Aid Awarded” includes a correction on the number of undergraduates who received institutional grants across campuses, sectors, and the whole state for Fiscal Year 2005.*

## Minnesota State Grant Program Data

The amounts reported for the State Grant Program were reported earlier in *Minnesota State Grant Program 2015, End-of-Year Statistics*. As institutions close their State Grant accounts, the Minnesota Office of Higher Education makes adjustments that do not appear in either this report or in the *End-of-Year Statistics*.

## Definitions of Financial Aid Programs

Definitions of the financial aid programs and categories used in the report are included in Appendix A.

## Financial Aid Awarded Information for Earlier Years

Totals by program for Fiscal Years 1987 through 2013 (odd numbered years) are included in Appendix B. The full reports for those years can be obtained by contacting the Minnesota Office of Higher Education, 1450 Energy Park Drive, Suite 350, Saint Paul, MN 55108-5227, 651-259-3967, [www.ohe.state.mn.us](http://www.ohe.state.mn.us).

# Appendix A. Definitions of Financial Aid Programs

---

This appendix describes the financial aid programs in place in Fiscal Year 2013, the year for which the data were collected.

## Grant Programs

Grant programs include grants, scholarships, tuition waivers, tuition reimbursement and gift aid. Grant programs require no repayment from students or parents. Most grants require students to make satisfactory educational progress. Restrictions are placed on eligibility, award amounts and use.

### State and Local Grant Programs

The state of Minnesota funds the following grant programs:

#### ***Minnesota State Grant Program***

Minnesota residents registering as undergraduates at Minnesota institutions can apply for State Grants. The award is based on the financial circumstances of students' families, recognized tuition and required fees and an allowance for living and education-related costs.

#### ***Minnesota American Indian Scholarship Program***

The Minnesota Indian Scholarship Program provides postsecondary financial assistance to eligible Minnesota resident students attending Minnesota postsecondary institutions who are of one-fourth or more Indian ancestry and demonstrate financial need for an award.

#### ***Minnesota GI Bill***

The Minnesota GI Bill Program provides postsecondary financial assistance to eligible Minnesota veterans and service members who served after September 11, 2001 and to the children and spouses of deceased or severely disabled eligible Minnesota veterans and service members who served after September 11, 2001.

#### ***Minnesota Postsecondary Child Care Grants***

Grants are to undergraduates who demonstrate financial need and use child care services in order to attend postsecondary education. Awards are for assistance in paying for child care for children age 12 and under.

#### ***Minnesota Safety Office Survivor Grants***

Awards are to postsecondary students who are spouses or dependent children of public safety officers killed in the line of duty.

### ***Local and State Agency Grants***

Local and state agency grants include grants, scholarships, fellowships and gift aid funded by counties, local governments and state agencies. Examples of these grants are Vocational Rehabilitation Services Grants and Workforce Investment Act Grants.

### **Federal Grant Programs**

The federal government funds the following grant programs.

#### ***Federal Pell Grant Program***

Federal Pell Grants are awarded directly to students. The federal government determines the award based on the financial circumstances of students' families. The maximum federal Pell Grant in Fiscal Year 2013 was \$5,550.

#### ***Federal Supplemental Educational Opportunity Grant (SEOG) Program***

The federal government allocates funds to institutions to respond to special financial circumstances not recognized in the federal Pell Grant Program. Students receiving federal Pell Grants have priority for SEOG awards.

#### ***Federal Agency Grants***

Federal agency grants include all federal grants, scholarships, fellowships and gift aid except Pell Grants, SEOGs and veterans benefits. Examples of these grants are health professions grants, federal Nursing Scholarships, ROTC stipends and Bureau of Indian Affairs grants.

### **Institution Grants**

Postsecondary institutions fund the following grants:

#### ***Institution Awarded Grants and Scholarships***

Institution grants and scholarships include all grants, fellowships and gift aid awarded by the institution, excluding that which has been reported in the categories above. These grants and scholarships are financed by revenues generated by the institution, funds appropriated to the institution and money donated to the institution that has been allocated for grants or donated explicitly for financial aid. These grants include awards to students who do not have financial need as well as awards to students with need.

### ***Tuition Discounts or Remissions Provided by Institutions***

Awards include all reductions in the posted tuition and fee charges provided by the institution. Examples of these awards are tuition waivers to non-residents, University of Minnesota Regents Scholarships, tuition forgiven or charged at a reduced rate as an employment benefit for institution staff, tuition charged at a reduced rate to members of a religious order and free tuition provided to wards of the state.

### **Private Grants and Other Grants**

Various organizations fund the following grants.

#### ***Private Grants and Scholarships***

Private grants include all grants, scholarships, fellowships and gift aid provided by organizations not associated with the federal or state government or organizations not associated with the institution. Examples of these grants are grants awarded by service clubs (such as Lions Clubs, Kiwanis, PTA and churches), grants awarded by labor unions and fraternal organizations and Blandin Foundation grants to students living in northeastern Minnesota.

#### **Other Grants**

Other grants are grants and scholarships that do not fit into the categories identified above. One example is a grant from a state government outside Minnesota for postsecondary education at a Minnesota institution.

### **Loan Programs**

Loans are long-term loans that students (or their families) will repay after they are no longer attending postsecondary education. Some loan programs, such as the Minnesota SELF Program described below, also require payments while students are enrolled in postsecondary education. Long-term loans do not include emergency loans and loans that cover the time between when tuition payments are due and other aid is received.

## **State Loan Program**

The state of Minnesota has one loan program for postsecondary students, the SELF Program.

### ***Minnesota Student Educational Loan Fund (SELF Program)***

The Minnesota Office of Higher Education provides loan capital. Interest is charged while the borrower is enrolled in postsecondary education. The borrower repays principal and interest after leaving school. Borrowers must have a credit-worthy cosigner. Borrowers do not have to show financial need to be eligible.

## **Federal Loan Programs**

The federal government funds or guarantees the following loan programs:

### ***Federal Direct Stafford Loan Programs***

Federal Direct Stafford Loans include federal Direct Subsidized Stafford Loans and federal Direct Unsubsidized Stafford Loans.

**Federal Direct Stafford Subsidized Loans** are made by institutions with capital from the federal government. The borrower does not pay interest while attending. Borrowers of federal Direct Stafford Subsidized Loans must demonstrate financial need.

**Federal Direct Stafford Unsubsidized Loans** are available to borrowers without demonstrated financial need. The loans limits and interest rates are the same as those for federal Direct Stafford Subsidized Loans. Borrowers are charged interest while they are in school.

### ***Federal Perkins Loans***

The federal government awarded funds to institutions to create a loan fund. The program requires that institutions match the federal contributions. Institutions make the loans to students with financial need. Students pay no interest while attending. Upon leaving school, they pay a five percent fixed interest rate.

### ***Federal Parent Loans for Undergraduate Students (PLUS)***

Loans are made to parents of dependent students and to graduate students. Borrowers do not have to show financial need to be eligible.

### ***Federal Agency Loans***

Federal agency loans include loans made or guaranteed by an agency of the federal government other than the U.S. Department of Education. Examples are Health Professions Student Loans, Nursing Loans and Veterans Administration Loans. Federal agency loans do not include federal Stafford Loans, federal Direct Stafford Loans, federal Perkins Loans and federal PLUS Loans made or guaranteed by the federal government.

## **Institution Awarded Loans**

Institution awarded loans are loans made by the institution to the student and his or her parents. Institution awarded loans include loans borrowers are expected to repay after completion of their education. Loans in this category are from institution controlled funds. Institution awarded loans do not include federal Perkins Loans.

## **Loans Made by Private and Other Lenders**

There are two categories for loans made by private and other lenders.

### ***Private Loans***

Loans made by private lenders to students and their parents are from private sources (with no guarantee provided by a state or federal agency). Loans in this category are limited to those made to cover part or all of the cost of attendance. This does not include second mortgages or home-equity lines of credit. Examples are DEAL Loans, SallieMae Loans, Discover Student Loans, Wells Fargo Loans.

### ***Other Loans***

Other loans include loans that are reported to campus financial aid administrators, but the loans do not fit into one of the categories identified above. An example is a loan by a state outside of Minnesota.

### ***SELF Loan Recipients and Their Stafford Eligibility***

Shows the number of SELF Loan recipients that did not take out the maximum amount of money they were eligible for in Federal Direct Subsidized Loans during the academic year. The breakdown is for both dependent and independent students.

# Work-Study Programs

Student earnings from jobs at the postsecondary institution and work-study jobs provide money to pay for postsecondary expenses. Since many institutions do not have records of student earnings at off-campus jobs and jobs where the employer contracts for services on campus, the information collected is only for jobs where the institution is the employer.

## ***State Work-Study Program***

The state funds a work-study program. The Minnesota Office of Higher Education allocates the money to institutions. Institutional financial aid directors make the awards. Employers must provide at least 25 percent of the wages paid to students awarded a State Work-Study job. Most jobs are on campus, but some may be with eligible off-campus employers.

## ***Federal Work-Study Program***

The federal government funds the federal Work-Study Program. The federal government makes an annual allocation to institutions. Institutional financial aid directors make the awards. Employers must provide at least 25 percent of the wages paid to students awarded federal Work-Study jobs. Most jobs are on campus, but some may be with eligible off-campus employers.
