### If you're still having trouble identifying what's important to you, ask yourself:

- Why do I want to go to college?
- What do I want to get out of college?
- How will college help me work toward my goals?
- Which college will best/least help me work toward my goals?
- What are the advantages/disadvantages of going now rather than later?
- Does it matter how many students are enrolled with me?
- Do I want to be with students who have diverse ideas, viewpoints and backgrounds?
- In which type of campus setting am I most/least comfortable?
