

After 50 years, Regency Beauty Institute closed the doors to 79 facilities nationwide. In the event that a beauty school closes, students have a few available options in deciding what they can do next. We want to extend our sympathy to Regency students, and will help and answer any questions we can for them!

L.A Beauty & Massage School is available to make the transfer to our school as easy as possible for those wishing to continue their educational pursuits with us. Located in Richfield- Stop in anytime! Please share if you know anyone in this situation!
