FREE TUITION MAKES COLLEGE POSSIBLE FOR MORE MINNESOTANS.

That's the North Star Promise.

North Star Promise was created to provide free tuition and fees to make education after high school possible for more Minnesota students and families.

Get a degree. Earn a certificate. Learn a trade.

All Minnesota public higher education institutions and Tribal Colleges are eligible for free tuition through North Star Promise. Free tuition and fees are available at:

- **All Minnesota State Colleges and Universities**
- **All University of Minnesota campuses**
- **All Tribal Colleges**

The North Star Promise program is open to all Minnesota residents with a family Adjusted Gross Income (AGI) below $80,000, as reported on the Free Application for Federal Student Aid (FAFSA) or Minnesota Dream Act Application.

Going to college doesn't have to mean going into huge debt.

Continuing your education can help you go further and do more in life, especially without the burden of debt to hold you back. The North Star Promise covers up to 100% of your tuition and required fees and helps you get the education you want without massive debt.

The exact amount of funding you can receive is calculated on a "last-dollar" basis. This means it covers your remaining costs for tuition and fees after all other aid has been awarded (such as scholarships, grants, stipends and tuition waivers). Loans and work study programs do not count against the amount of funding you can receive. North Star Promise does not cover the cost of items such as housing, food, transportation, books and supplies.

FREE TUITION HELPS YOU CONTINUE YOUR EDUCATION ON <u>YOUR</u> TERMS.

- **Pursue a four-year degree, a two-year degree, learn a trade or attain a certification**
- **North Star Promise is not program- or major-specific**
- **Awards are not prioritized based on specific fields, trades or degrees**
- **Part-time and evening classes are included**
- **Just enroll and take at least one credit to qualify**
- **Open to both new and returning students who meet the eligibility criteria**

How to apply for free tuition and fees through North Star Promise.

To apply for North Star Promise funds, complete the FAFSA or Minnesota Dream Act. The application will require you to list the institutions that you are planning to attend to earn your degree or certification. If you and your family are eligible, and you are attending an eligible college or university, your institution will award you with free tuition and fees as part of your financial aid offer.

The only academic requirement to continue receiving free tuition is that you continue to meet your school's Satisfactory Academic Progress (SAP) standards, meaning you stay on track to earn your intended degree or certification.

Students earning a two-year degree can receive the award for up to four full-time semesters or the equivalent. Students earning a four-year degree can receive the award for up to eight full-time semesters or the equivalent.

Complete Eligibility Requirements

- ☑ Be a Minnesota resident

- ☑ Have a family Adjusted Gross Income (AGI) as reported on the Free Application for Federal Student Aid (FAFSA) or Minnesota Dream Act Application below $80,000
