

Poster Topics for 9-21-23 P-20 Meeting

1. What we do and how we do it

POSTER A: What concepts do you think are critical to be included in our **VISION** statement (*what we aspire to achieve*)?

POSTER B: What concepts do you think are critical to be included in our **MISSION** statement (*what we do*)?

2. Who's at the table

POSTER A: What organization, institution, or agency is NOT at the P-20 table that you think SHOULD be?

POSTER B: How can we intentionally include more diverse voices and more stakeholder input in our work?

3. Equity principles in our work

POSTER A: What kinds of shared learning opportunities or training would help strengthen our partnership's ability to advance together in our equity work?

POSTER B: As we work to put our equity priorities into action, what tools or resources do you know that might help us plan, execute, and/or measure our success?

4. Strengthening processes, determining priorities

POSTER A: How have P-20 and our workgroups been successful or not successful in defining and accomplishing goals and projects?

POSTER B: Which of the following topics do you think might be beneficial for P-20 to focus on in the coming year, in addition to our existing workgroups? **Put a sticker next to all that apply.**

- Strengthening equity and opportunity in dual enrollment
- Enhancing bridges from high school to CTE (career and tech ed) to workforce
- Better understanding statewide equity gaps through data
- Developing statewide career pathway strategies
- Early literacy success
- Teacher pipeline shortages and diversity across the whole P-20 spectrum

- Strengthening pathways for underserved student populations (e.g., BIPOC students, incarcerated students, students with physical or intellectual disabilities, students who are parents, etc.)
- Early learning and care (access, affordability, teacher shortages, etc.)
