Congratulations. You have been awarded a Postsecondary Child Care Grant for the 2023-2024 academic year.

Please read this notice carefully. It is your responsibility to inform the designated office at your institution within 10 days if any of the following changes should occur:

- change of provider;
- change of provider rates;
- change of child care hours needed;
- receipt of MFIP, Basic Sliding Fee, or Transition Year benefits;
- change of enrollment level;
- if a parent or legal guardian becomes available to provide child care; and/or
- any changes in your status which may affect your eligibility.

If you withdraw or reduce enrollment after receiving a Postsecondary Child Care Grant, all or a portion of the grant may need to be repaid to your college. A copy of this award notice along with the provider section of the program application may be sent to the daycare provider. It is the institution's option to disburse funds to either the student or the child care provider. The grant cannot be disbursed before the beginning of each term. The child care provider may ask for payment before service is given, if that is the business arrangement between the student and the provider.
