Subject: Mandatory Estimated State Grant Award Parameters for 2024-2025

Date: November 20, 2023

Based on a recommendation from MAFAA’s State Grant Taskforce, the Office of Higher Education issues mandatory estimated Minnesota State Grant award parameters. All participating campuses should use the estimated award parameters until the OHE issues official 2024-2025 award parameters at the close of the 2024 legislative session. The rationale behind this recommendation was to ensure students would receive comparable State Grant award estimates from similarly priced institutions. Changes from 2023-2024 actual parameters are shown in red.
