Resource

EXAMPLE Related Instruction Training Provider Selection

Applicant Name (Employer or Organization): Trex Commercial Products

Advanced Manufacturing: Computer Numerical Control (CNC) Programmer

- Computer Numerical Control Technician Diploma

Criteria for selecting related instruction training provider(s):

- Can the training provider offer relevant classroom instruction that will directly apply to our CNC Programmer and Machinist positions?
- Is the training providers location convenient for the dual trainees?
- Will the dual trainee have a flexible schedule that allows them to attend school and work reasonable hours?
- Is the cost of the program reasonable for Trex Commercial Products?

List of training provider quotes:

1. Hennepin Technical College
 - a. 1/11/2021 and 2/1/2021
 - b. Email and Virtual Meeting
 - c. Good
 - i. Multiple relevant CNC programs
 - ii. Closest to worksite (within one mile)
 - iii. Flexible schedule with days, nights, evening classes, year round
 - iv. Most reasonably priced program per year
2. Dunwoody College of Technology
 - a. 1/15/2021
 - b. Phone
 - c. Poor
 - i. One relevant CNC program
 - ii. Local proximity (within 13 miles)
 - iii. Only day classes offered, not a flexible schedule, fall and spring only
 - iv. Most expensive program per year
3. Saint Paul College
 - a. 1/15/2021
 - b. Phone
 - c. Fair
 - i. One relevant CNC program
 - ii. Not local location, furthest distance from work (22 miles)
 - iii. Somewhat flexible schedule, but only offered in fall and spring semesters
 - iv. Average price point for program per year
